

10 *Secrets* of the Millionaire's Mind

Dr. Steve G. Jones, Ed.D.

10 Secrets of the Millionaire's Mind

Secret # 1: "I am Worthy of Wealth"

Too often, the acquisition of wealth is borne out of desperation and need and while it's normal to feel the need to make more money, this shouldn't be your main anchoring point. When you feel that you are worthy of wealth, you will no longer feel discomfort and stress when it you receive the Universe's abundance.

Secret # 2: "Wealth is Unlimited"

The mind is so powerful that it attracts both good and bad things into your life. When you think of wealth in terms of your debts, bills and financial obligations you will notice that it quickly dwindles and disappears. Change your mindset and expect the opposite to occur!

Secret # 3: "Wealth Can *Always* Be Created"

Millionaires are special in the way they see the world. They see opportunities for growth and wealth creation and they simplify the processes to make it happen.

When was the last time you viewed the world this way? Why not try it today and see what great ideas your mind can come up with?

Secret # 4: "I am Wealthy No Matter What"

Financial wealth is just one aspect of abundance. In order to become satisfied with your life and to open up the natural energies for wealth creation, you need to see and feel abundance in every aspect of your life. You want to be wealthy, but you also want to be happy and satisfied with other aspects of your life.

10 Secrets of the Millionaire's Mind

Secret # 5: "Wealth Makes Me Less Stressed"

Stress is the biggest threat to continued wealth creation because it destroys the harmony in your mind and in your life.

The creation of wealth should be associated with better quality of life and personal progress. If acquiring money has become a source of toxic stress to you, major changes in your life should be in order.

Secret # 6: "I Like All Kinds of Beginnings"

The single biggest misconception that people have of millionaires is that they all started BIG, like they were giant mushrooms that just popped out of the earth in complete form.

Millionaires often start small – so small in fact that no one would actually believe how powerful humble beginnings can be. So if you want to start something, just start and see your dreams grow day by day.

Small beginnings often pave the way for grand things in life. But you need to be willing to start!

Secret # 7: "Change is Excellent"

We are naturally afraid of change. But in the arena of extreme wealth creation, change is the fuel that ensures your success.

Embracing positive forms of change breaks down old attitudes and mental obstacles to receiving wealth and abundance from the Universe. Think long and hard – what opportunities are open to you that simply require courage and the love of change?

10 Secrets of the Millionaire's Mind

Change doesn't have to be abrupt, but you need to be willing to embrace it the moment the right factors come together. Missed opportunities will be harder to manage once they fly past.

Secret # 8: "I Like Imagining My Successes"

Visualizing the wealth that you want in your life will cement your connection to the universal abundance.

Questions like "how", "what" and "when" will soon be resolved and you will be amazed at how quickly things will fall into place after you've imagined the type of results that you want. Your mind has limitless potential in the field of wealth creation – use it well, every day!

Secret # 9: "I Have My Own Tricks Up My Sleeve"

Oftentimes, the best strategies for saving money and creating more wealth come from our own minds. Don't be afraid to create a wealth blueprint that works for your circumstances, specifically.

The only thing you have to remember is to keep refining your money mindset so that it continues evolving and maturing so that it is also capable of creating the vital changes you need to generate your first million.

Secret # 10: "I Like Living Simply"

This secret mindset has enabled many would-be millionaires to retire early and pursue their other passions in life. When you choose to live simply, you consume less resources and you have more resources left over for business and investments.

10 Secrets of the Millionaire's Mind

You don't have to live in dire circumstances though – you just have to simplify your approach to life and consume less. The more you do this, the better off you will be in the long term.

IMPORTANT NOTE:

The millionaire's mindset can be developed and enjoyed by anyone with the desire and passion to live freely, the way they want. Wealth is yours for the taking. You only have to make the choice... Are you ready for it?
